

NEW AB939 RECYCLING FEE EFFECTIVE JANUARY 1, 2008

**This new fee will appear on your bill as a separate line item
“SLO CO WASTE MGMT AUTHORITY”**

This new AB939 fee provides funding for the San Luis Obispo County Integrated Waste Management Authority (IWMA) to prepare and implement the Countrywide Integrate Waste Management Plan mandated by the California Integrated Waste Management Act (AB939). The IWMA programs include operating the five Household Hazardous Waste Facilities, establishing locations to return batteries, fluorescent tubes, and fluorescent bulbs, providing class room presentation and field trips at schools and offering a business assistance program that sets up recycling collection. More information on these programs is available at www.iwma.com or under recycling in your yellow pages of the local AT&T phonebook.

The new fee is:

Residential-single family homes = \$0.30 per month

Commercial, Multi family & Apts. = 2% of your monthly
Gross garbage billing

Rolloff debris boxes = 2% of your monthly gross billing
(Includes landfill tonnage, delivery, rent, and any other gross
billing amount)

***The garbage company, rolloff company, the city, or special district do
not get of this fee. It is not subject to any franchise fee. It is
collected by us and forward to the IWMA.***
