3. DISCUSSION OF DISTRICT INVESTMENTS WITH KAREN SHANLEY, INVESTMENT ADVISOR, WITH CONSIDERATION TO REINVEST

Financial Advisor, Karen Shanley, provided a handout of investment offerings and a recap of the District's investment account, recommending the District continue rolling current Certificates of Deposit. At the August District Board meeting, Board members gave ASO Brookins direction to invest up to \$250,000 in idle reserves in an additional Certificate of Deposit (CD), and extended the maximum term on CDs at the time of rollover, from one year to up to two years. At this time, an investment has not been made; however, a two-year term was obtained for one District-held CD when it matured in October. With government guaranteed notes less vulnerable than the Money Market, Shanley recommended the Board consider US Treasury Notes, of from one to five years duration.

MOTION: First by Foster with second by Chivens giving Shanley discretion to invest up to one million dollars of District Money Market funds in US Treasury Notes, or comparable. VOTE: 4-0

4. CONSIDERATION TO SELL DISTRICT EQUIPMENT: PORTABLE TENT AND PORTABLE CONTAINER

Manager Callahan's written report was received. He asked the Board to authorize staff to sell the District's portable tent and storage container no longer required after the completion of the District O&M Shop.

MOTION: First by Chivens with second by Foster directing District staff to sell excess District equipment, a portable tent and storage container, at fair market value. VOTE: 4-0

5. DISCUSSION OF PROPOSED DISTRICT RETIREMENT INCENTIVE PROGRAM WITH CONSIDERATION TO BEGIN ENROLLMENT PERIOD

Manager Callahan's written report was received. Presently there are two employees at retirement age. He recommended the Board consider the proposed incentive program, as a cost savings measure, and begin the enrollment period.

MOTION: First by Fones with second by Chivens to approve the District Retirement Incentive Program and begin the enrollment period. VOTE: 4-0

6. STAFF COMMUNICATIONS AND INFORMATION ITEMS (NO ACTION REQUIRED):

A. District Manager's Report (Callahan) – October 2011

Manager Callahan's written report was received. Director Chivens inquired about the Reclaimed Water Survey, part of the water reclamation component of the Alternative Sites Analysis. A questionnaire was sent to potential customers within a three-mile radius of outside the two communities to determine interest, especially for irrigation of agricultural crops, landscaping, and industrial reuse. Callahan replied that at this time few responses had been received.

Callahan reported that a customer came into the office several weeks ago with a laceration on her leg. Staff provided first aid while waiting for the paramedics to arrive. He added that the cookies being served at the meeting were received from her as a "thank you" to staff.
