**BOARD OF DIRECTORS
REGULAR MEETING AGENDA
THURSDAY, JANUARY 16, 2025 AT 5:00PM
200 ASH AVENUE, CAYUCOS, CALIFORNIA 93430**

1. ESTABLISH QUORUM AND CALL TO ORDER

2. PUBLIC COMMENT

At this time the public may address the Board on items other than those scheduled on this agenda (persons wishing to speak on any item scheduled on this agenda will be given the opportunity at the time that agenda item is being considered). When recognized by the Board President, please state your name for the record (though not required). While the Board encourages public comment, in the interest of time and to facilitate orderly conduct of the meeting, the Board reserves the right to limit individual comments to three minutes. By conditions of the Brown Act, the Board is prohibited from discussing issues not posted on this agenda, but may set items for future agendas.

3. CONSENT CALENDAR: Recommended to Approve

Consent Calendar items are considered routine and therefore do not require separate discussion, however, any item may be removed from the Consent Calendar by a member of the Board of Directors for separate consideration. Individual items on the Consent Calendar are approved by the same vote that approves the Consent Calendar, unless an item is pulled for separate consideration.

Manager Koon provided a summary of the previous month's activities. With regard to the proposed new Big Belly waste receptacles, Director Lyon wondered what their projected lifespan is and suggested consideration of who would maintain them.

President Enns opened the meeting to Public Comment.

Hearing no comment, President Enns closed Public Comment.

Items 4.A – B were received and accepted.

5. PRESENTATION OF REPORT REGARDING MISSION COUNTRY DISPOSAL'S (MCD) REQUEST FOR A SOLID WASTE COLLECTION AND DISPOSAL RATE INCREASE, AND DISCUSSION AND CONSIDERATION TO SCHEDULE A PUBLIC HEARING ON JANUARY 16, 2025 TO CONSIDER REQUESTED RATE INCREASE AND TO DIRECT STAFF AND DISTRICT COUNSEL TO COORDINATE THE PREPARATION AND DISTRIBUTION OF A PROPOSITION 218 PUBLIC HEARING NOTICE WITH MCD

Garth Schultz, Principal of R3 Consulting Group, Inc., delivered an in-depth PowerPoint presentation on why a rate adjustment is necessary, the proposed new rate setting methodology, and discussed how Cayucos, specifically, would be impacted. Director Miller questioned why Cayucos is seeing the highest percentage of rate increase in the County, and Mr. Schultz replied that the existing profit allowance and operating deficits for MCD impacted their necessary rate adjustment. He stated that this issue will not perpetuate in the future under the new rate setting methodology. Director Miller asked if the new rate setting methodology would also help prevent spikes in the tonnage tipping fee, and Mr. Schultz confirmed that it would smooth and prevent future spikes. Regarding the 2% floor – 5% cap for future rate adjustments, Director Curti requested clarification on what would happen if the CPI increased substantially more than the 5% cap allows, and the business began to operate at a deficit again. Mr. Schultz responded that on the 5th year (after the last rate increase/Prop. 218 process), MCD could request a new Prop. 218 process to adjust their rates, creating a new floor/cap for the next 5 years.

President Enns opened the meeting to Public Comment.

Hearing no comment, President Enns closed Public Comment.

MOTION: 1st by Miller, schedule a public hearing on January 16, 2025 to consider the requested rate increase and to direct staff and District Counsel to coordinate the preparation and distribution of a Proposition 218 Public Hearing Notice with MCD. Motion was seconded by Curti.

ROLLCALL VOTE: Miller-yes, Curti-yes, Lyon-yes, Enns-yes

VOTE: 4-0 Motion passed

6. DISCUSSION AND CONSIDERATION TO ADOPT RESOLUTIONS 2024-06 AND 2024-07 ACCEPTING THE PROPERTY TAX ALLOCATION RATE OF 6.7524% FROM THE COUNTY OF SAN LUIS OBISPO FOR ANNEXATIONS 19 AND 20, RESPECTIVELY

Director Curti found the County's proposed policy for future annexation allocation rates problematic, as it would not consider an individual annexation's unique circumstances. Director Lyon suggested gathering data on Cayucos's property tax revenue to assist in contesting said proposed policy.

President Enns opened the meeting to Public Comment.

Hearing no comment, President Enns closed Public Comment.

MOTION: 1st by Curti, to adopt Resolution 2024-06 accepting the property tax allocation rate of 6.7524% from the County of San Luis Obispo for Annexation 19. Motion was seconded by Miller.

VOTE: 4-0 Motion passed

MOTION: 1st by Curti, to adopt Resolution 2024-07 accepting the property tax allocation rate of 6.7524% from the County of San Luis Obispo for Annexation 20. Motion was seconded by Miller.

VOTE: 4-0 Motion passed

7. DISCUSSION AND CONSIDERATION TO APPOINT AN ADDITIONAL BOARD MEMBER AS AN AUTHORIZED CHECK SIGNER FOR CAYUCOS SANITARY DISTRICT EXPENSE DISBURSEMENTS

President Enns opened the meeting to Public Comment.

Hearing no comment, President Enns closed Public Comment.

MOTION: 1st by Curti, to appoint Director Miller as an Authorized Check Signer for Cayucos Sanitary District expense disbursements. Motion was seconded by Lyon.

VOTE: 4-0 Motion passed

8. PRESENTATION FROM JON COLLINS ON CAYUCOS SANITARY DISTRICT'S SCADA SYSTEM

Treatment Plant Operator III Collins provided an overview of the recently revamped SCADA system, which is utilized by treatment and collections staff and provides detailed information on various statuses of the plant. Director Lyon asked how close the treatment plant is to having treated, potable water, and Treatment Plant Operator III Collins responded they are nearly there, but still need a reverse osmosis system.

President Enns opened the meeting to Public Comment. Justin Smith commented that he is familiar with the software and finds it impressive.

Hearing no further comment, President Enns closed Public Comment.

Item #8 was received.

- Staff applied for a grant with the IWMA to assist in funding the acquisition of new waste receptacles
- The District was not selected for the Cyber Security Grant, although we have been approved to change our web domain to a “.gov.” Staff is working with our IT on the best way to phase the changeover.
- The acceptance of the new Mission Country Disposal/R3 rate methodology will be discussed at the February meeting. Draft language of the amendment is being reviewed by District Legal Counsel.
- The County Surveyor has requested some corrections on the Lot 7N legal descriptions. The corrections were made and resubmitted. This should be the last document needed for escrow to close.
- Staff and Legal Counsel have reviewed the Caltrans agreement for restoration work on Lot 6NE and 7N, and submitted the corrections to Caltrans.

CAPITAL PROJECTS

- The Headworks Valve Project is completed. Treatment staff can remotely divert influent to the Equalization Basin during high flow events.
- The Chaney to Toro Main Line Replacement Project plans will be 90% complete and resubmitted to Caltrans next month for their review.
- Staff is working with Water Systems Consulting (WSC) on the scope of work required to meet the Climate Change Resiliency requirement of the District's NPDES permit.

CAYUCOS SANITARY DISTRICT STAFF REPORT

TO: BOARD OF DIRECTORS

FROM: AMY LESSI, ADMINISTRATIVE SERVICES MANAGER

DATE: JANUARY 9, 2025

SUBJECT: ELECTION OF DISTRICT OFFICERS FOR 2025

DISCUSSION

At the beginning of each calendar year, the Board of Directors elect the District Officers to serve in the roles of President and Vice-President for the coming year. The current District Officers are:

- Robert Enns (President)
- Shirley Lyon (Vice-President)

DUTIES OF THE PRESIDENT AND VICE-PRESIDENT

- 1. Presiding Officer:** The President of the Board of Directors shall serve as the presiding officer at all Board meetings. In the absence or disability of the President, the Vice-President of the Board of Directors shall serve as the presiding officer over all meetings of the Board. The presiding officer shall have the same rights as the other members of the Board in voting, introducing motions, resolutions and ordinances, and any discussion of questions that follow said actions. The presiding officer may move, second, debate, and vote from the chair.
- 2. Duties Regarding Meetings:** The President shall preside over and conduct all meetings of the Board of Directors, shall carry out the resolution and orders of the Board of Directors, and shall exercise such other powers and perform such other duties as the Board of Directors shall prescribe including, but not limited to, the following:
 - Call the meeting to order at the appointed time
 - Announce the business to come before the Board in its proper order
 - Enforce the Board's policies in relation to the order of business and the conduct of meetings
 - Recognize persons who desire to speak, and protect the speaker who has the floor from disturbance or interference
 - Explain what the effect of a motion would be if it is not clear to every member
 - Restrict discussion to the question when a motion is before the Board
 - Rule on parliamentary procedure
 - Put motions to a vote, and state clearly the results of the vote
 - Preserve order and decorum
- 3. Emergency Meetings:** In the event of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, the Board of Directors may hold an emergency special meeting without complying with the 24-hour advance notice rule pursuant to Government Code Section 54956.5. An emergency situation means a crippling disaster which severely impairs public health, safety or both, as determined by the District Manager, Board President or Vice-President in the President's absence.

- 4. Responsibilities:** Responsibilities of the President include, but are not limited to, the following:
- Sign all instruments, act, and carry out stated requirements and the will of the Board
 - Appoint and disband all committees, subject to Board ratification
 - Call such meetings of the Board as they may deem necessary, giving notice as prescribed by law
 - Coordinate the preparation of meeting agendas with the District Manager
 - Confer with the District Manager or designee on crucial matters which may occur between Board of Directors meetings
 - Be responsible for the orderly conduct of all Board meetings
 - Be the spokesperson for the Board
 - Perform other duties as authorized by the Board or required by law
 - The Board President, and in their absence or unavailability, the Vice-President, shall be designated signers on all District checking, savings, trust accounts, money market and investment accounts.

RECOMMENDATION

Staff recommends that the Board of Directors elect the District Officers to serve in the roles of President and Vice-President for 2025.

CAYUCOS SANITARY DISTRICT STAFF REPORT

TO: BOARD OF DIRECTORS

FROM: RICK KOON, DISTRICT MANAGER

DATE: JANUARY 9, 2025

SUBJECT: PUBLIC HEARING PURSUANT TO PROPOSITION 218 REGARDING MISSION COUNTRY DISPOSAL'S PROPOSED RATE INCREASE FOR SOLID WASTE, RECYCLING AND GREENWASTE COLLECTION SERVICES AND DISCUSSION AND CONSIDERATION OF ADOPTION OF RESOLUTION NO. 2025-01 AUTHORIZING THE SOLID WASTE, RECYCLING AND GREENWASTE COLLECTION SERVICE RATE INCREASE

DISCUSSION

Reason For and Basis of the Proposed Rate Increase

The Proposed Rate Increase for 2025 is based on Mission County Disposal's ("MCD") documented cost of providing solid waste services and is a 14.32% increase above current solid waste rates. This cost-based adjustment is necessary for MCD to continue to provide safe, environmentally sound and reliable solid waste removal, transportation and disposal services to the residents and businesses of the CSD. The adjustments are requested due to:

- Increases in organics processing costs – Third-party costs for the organic waste post-collection processing facility operated by the company formerly named Hitachi Zosen INOVA, and which are not within MCD's control, have doubled since 2022. The change in cost is the result of changes in facility capital and operating costs.
- Increases in landfill disposal costs – Related party costs for landfill waste disposal at Cold Canyon have remained flat since 2016. The 2025 Proposed Rate Increase reflects a market adjustment to these costs, from a per ton tipping fee of \$41 (in place since 2016) to a per ton tipping fee of \$70. MCD provided a market comparison demonstrating the applicability of the \$70 per ton tipping fee.
- Collection costs including labor, vehicles, operating expenses and overhead – These costs are proposed to increase by approximately 4.21% in 2025.
- Adjustments necessary for moving to a new methodology for annual rate adjustments that
- provide for increased rate stability, predictability, fairness, transparency, ease of administration, and cost-effectiveness. These include updated depreciation lifespans for solid waste collection vehicles, removal of a limitation on corporate overhead costs for legal, tax, payroll, human resources, engineering, compliance, IT, training and recruiting programs, and updated profit allowance in keeping with industry standards.
- Adjustments for new service enhancements, including the ability for residents to exchange one solid waste collection cart once annually at no additional cost, no charge for collection of one bulky item twice annually via clean-up weeks, and a Rate Assistance Program providing a 20% low-income discount to residential customers using 32-gallon cart service (using existing jurisdictional practices on low-income relief for their offered utility type services).

The Proposed Rate Increases for 2025 applicable to residential solid waste customers are shown in the table below:

Garbage Container Size	2024	2025	Change in Monthly Rate
32-gallon	\$32.60	\$37.27	\$4.67
64-gallon	\$38.52	\$44.04	\$5.52
96-gallon	\$44.48	\$50.85	\$6.37

In addition, commencing each January 1 of 2026, 2027, 2028 and 2029 solid waste rates will be adjusted based on the following:

- Annual change in the Bureau of Labor Statistics' Consumer Price Index for All Urban Consumers (CPI-U): U.S. City Average, Garbage and Trash Collection, with a minimum 2% adjustment and a maximum 5% adjustment. Amounts below the minimum or above the maximum will carry forward to the following year.
- Calculation of a 10% profit allowance starting in 2026 (estimated at additional 0.67% to 0.69% adjustment in 2026).
- Addition of a revenue balancing mechanism starting in 2027, wherein actual revenues from solid waste rates over or under projections carry forward as additions to, or offsets against, the annual CPI adjustment.
- Rate adjustments for January 1, 2026, 2027, 2028 and 2029 are not expected to exceed 7%.

It is important to note that:

- The proposed rate increase contemplates implementation of a new methodology for annual rate adjustments which is described in the [New Solid Waste Rate Adjustment Methodology and 2025 Rates report](#) authored by independent reviewer, R3 Consulting Group, Inc.
- Discussion and consideration to accept the new rate methodology will occur at the Boards' February meeting.

RECOMMENDATION

Staff recommends that the Board of Directors:

1. Open public hearing to consider all public comment in support and in opposition of the proposed rate increase;
2. Close public hearing;
3. Report results of Proposition 218 written protests;
4. Discussion; and
5. If a majority protest does not exist, adopt Resolution No. 2025-01 approving Mission Country Disposal's rate increase, effective January 1, 2025 (retroactive).

RESOLUTION NO. 2025-01**A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CAYUCOS SANITARY DISTRICT AUTHORIZING A MISSION COUNTRY DISPOSAL SOLID WASTE, RECYCLING AND GREENWASTE COLLECTION SERVICE RATE INCREASE**

WHEREAS, Mission Country Disposal has requested that the Board of Directors approve an adjustment to their Solid Waste, Recycling and Greenwaste Collection Service rates; and

WHEREAS, notice of the proposed rate increase was sent in accordance with the requirements of Proposition 218 and a public hearing was held by the Board of Directors on January 16, 2025; and

WHEREAS, at the conclusion of the public hearing it was determined that a majority protest to the proposed rate increase does not exist.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Cayucos Sanitary District as follows:

1. The foregoing Recitals are true, correct and are incorporated herein.
2. The Mission Country Disposal Solid Waste, Recycling and Greenwaste Collection Service rate increase is hereby approved in the amount of 14.32 percent for solid waste, recycling, and green waste/organics collection services. Rate increase shall be effective January 1, 2025, for single-family residential, multi-unit residential, and non-residential (commercial/industrial) customers in Cayucos, as more particularly set forth in Exhibit A attached hereto and incorporated herein by this reference.
3. In addition, commencing on January 1, 2026, 2027, 2028, and 2029, rates shall be increased based on the following:
 - Annual change in the Bureau of Labor Statistics' Consumer Price Index for All Urban Consumers (CPI-U): U.S. City Average, Garbage and Trash Collection, with a minimum 2% adjustment and a maximum 5% adjustment. Amounts below the minimum or above the maximum will carry forward to the following year.
 - Calculation of a 10% profit allowance starting in 2026 (estimated at additional 0.67% to 0.69% adjustment in 2026).
 - Addition of a revenue balancing mechanism starting in 2027, wherein actual revenues from solid waste rates over or under projections carry forward as additions to, or offsets against, the annual CPI adjustment.
 - Rate adjustments for January 1, 2026, 2027, 2028 and 2029 are not expected to exceed 7%.

ADDITIONAL INFORMATION ALL CUSTOMERS:

1. Customers requesting Temporary Bins or Roll-Off Box Service can call the office for current rates.
2. Polystyrene (Styrofoam, Plastic #6) is not collected for recycling and should be thrown away as trash. Please bag Styrofoam packing peanuts before placing in trash container.
3. It is encouraged to bag your trash in the garbage container but do not bag your recyclables or green waste in their respective containers and keep it loose.
4. Recycling, Green Waste/Organics and Garbage containers should be spaced 3 feet away from any obstacles (e.g., mailboxes, cars, etc.) before 6:00am on collection service day.
5. The fee schedule above only includes the Garbage Company's rates and does not include IWMA fees, which are separately noted on the billings.
6. Cleaning fees will be billed on a time and materials basis.
7. Late Fees are imposed for residential customers over 30 days delinquent. The fee is 1.5% per month of the outstanding charge, with a minimum fee of \$5.00. No prior notice is required, as this late fee policy is stated at the bottom of every bill.
8. Customers can be charged for contamination fees in the trash, recycling and/or the green waste/organics containers.

Any additional recycling services are charged at 25% of the garbage rate for the equivalent container size and frequency.

Notice of Public Hearing Regarding Proposed Solid Waste Rate Increase

Property Owners and Tenant - Customers:

This notice is intended to inform you that Cayucos Sanitary District (“CSD”) will hold a public hearing regarding rate increases (the “Proposed Rate Increase”) proposed by Mission Country Disposal for properties and customers receiving solid waste, recycling, and green waste services within the CSD. The Proposed Rate Increase will be considered by the CSD Board of Directors (“Board”) at the date, time, and location specified below. Consistent with the requirements of Proposition 218, this notice also provides you with the following information:

- The date, time, and place of the Public Hearing;
- The reason for the Proposed Rate Increase;
- The effective date of the Proposed Rate Increase;
- The basis for the Proposed Rate Increase; and
- The Majority Protest Procedures.

NOTICE OF PUBLIC HEARING

The Public Hearing for the Proposed Rate Increase within the CSD limits will be held on:

Date: January 16, 2025 Time: 5:00 PM

Place: Cayucos Sanitary District office, 200 Ash Ave., Cayucos, CA

At the Public Hearing, the Board will consider all public comment in support of and in opposition to the Proposed Rate Increase and determine whether or not a Majority Protest exists pursuant to the California Constitution (as described below). If approved, the 2025 Proposed Rate Increase would become effective on January 1, 2025 and annual adjustments would be effective each January 1 of 2026, 2027, 2028 and 2029.

Reason For and Basis of the Proposed Rate Increase

The Proposed Rate Increase for 2025 is based on the Garbage Company’s documented cost of providing solid waste services and is a 14.32% increase above current solid waste rates. This cost-based adjustment is necessary for the Garbage Company to continue to provide safe, environmentally sound and reliable solid waste removal, transportation and disposal services to the residents and businesses of the CSD. The adjustments are requested due to:

- Increases in organics processing costs – Third-party costs for the organic waste post-collection processing facility operated by the company formerly named Hitachi Zosen INOVA, and which are not within the Garbage Company’s control, have doubled since 2022. The change in cost is the result of changes in facility capital and operating costs.
- Increases in landfill disposal costs – Related party costs for landfill waste disposal at Cold Canyon have remained flat since 2016. The 2025 Proposed Rate Increase reflects a market adjustment to these costs, from a per ton tipping fee of \$41 (in place since 2016) to a per ton tipping fee of \$70. The Garbage Company provided a market comparison demonstrating the applicability of the \$70 per ton tipping fee.

- Collection costs including labor, vehicles, operating expenses and overhead – These costs are proposed to increase by approximately 4.21% in 2025.
- Adjustments necessary for moving to a new methodology for annual rate adjustments that provide for increased rate stability, predictability, fairness, transparency, ease of administration, and cost-effectiveness. These include updated depreciation lifespans for solid waste collection vehicles, removal of a limitation on corporate overhead costs for legal, tax, payroll, human resources, engineering, compliance, IT, training and recruiting programs, and updated profit allowance in keeping with industry standards.
- Adjustments for new service enhancements, including the ability for residents to exchange one solid waste collection cart once annually at no additional cost, no charge for collection of one bulky item twice annually via clean-up weeks, and a Rate Assistance Program providing a 20% low-income discount to residential customers using 32-gallon cart service (using existing jurisdictional practices on low-income relief for their offered utility type services).

The Proposed Rate Increases for 2025 applicable to residential solid waste customers are shown in the table below.

Garbage Container Size	2024	2025	Change in Monthly Rate
32-gallon	\$32.60	\$37.27	\$4.67
64-gallon	\$38.52	\$44.04	\$5.52
96-gallon	\$44.48	\$50.85	\$6.37

In addition, commencing each January 1 of 2026, 2027, 2028 and 2029 solid waste rates will be adjusted based on the following:

- Annual change in the Bureau of Labor Statistics’ Consumer Price Index for All Urban Consumers (CPI-U): U.S. City Average, Garbage and Trash Collection, with a minimum 2% adjustment and a maximum 5% adjustment. Amounts below the minimum or above the maximum will carry forward to the following year.
- Calculation of a 10% profit allowance starting in 2026 (estimated at additional 0.67% to 0.69% adjustment in 2026).
- Addition of a revenue balancing mechanism starting in 2027, wherein actual revenues from solid waste rates over or under projections carry forward as additions to, or offsets against, the annual CPI adjustment.
- Rate adjustments for January 1, 2026, 2027, 2028 and 2029 are not expected to exceed 7%.

The Proposed Rate Increase has been independently reviewed for consistency with the City of San Luis Obispo Rate Setting Process and Methodology Manual for Integrated Solid Waste Management dated June 1994 and in accordance with the provisions of the CSD’s Franchise Agreement with the Garbage Company, as amended, governing solid waste service within the boundaries of the CSD. The Proposed Rate Increase contemplates implementation of a new methodology for annual rate adjustments which is described in the New Solid Waste Rate Adjustment Methodology and 2025 Rates report authored by independent reviewer, R3 Consulting Group, Inc. The consultant’s report and the complete set of proposed 2025 solid waste rates are available at the CSD office, located at 200 Ash Ave., Cayucos, CA.

How Do I Protest the Proposed Rate Increase?

Pursuant to Section 6 of Article XIII D of the California Constitution, the following persons may submit a written protest against the Proposed Rate Increase to the District Manager before the close of the Public Hearing referenced above:

- An owner(s) of property (parcel(s)) receiving solid waste, recycling, and green waste services within the CSD limits. If the person(s) signing the protest, as an owner, is not shown on the last equalized assessment roll as the owner of the parcel(s) then the protest must contain or be accompanied by written evidence that such person signing the protest is the owner of the parcel(s) receiving services; or
- A tenant(s) whose name appears on Mission Country Disposal's records as the customer of record for the corresponding parcel receiving solid waste, recycling, and green waste services within the CSD limits (tenant-customer).

A valid written protest must contain a statement that you protest the Proposed Rate Increase, the address or Assessor's Parcel Number (APN) of the parcel or parcels which receive solid waste, recycling, and green waste services, and a signature by either the owner or the tenant-customer of the parcel or parcels. One written protest per parcel shall be counted in calculating a majority protest to the Proposed Rate Increase, subject to the requirements of Section 6 of Article XIII D of the California Constitution. Written protests will not be accepted by e-mail or by facsimile. Verbal protests will not be counted in determining the existence of a majority protest. To be counted, a protest must be received in writing by the District Manager before the close of the Public Hearing referenced above.

Written protests regarding the Proposed Rate Increase may be mailed to:

**Cayucos Sanitary District
Attn: District Manager
PO Box 333
Cayucos, CA 93430**

Written protests may also be personally delivered to the CSD office located at 200 Ash Ave., Cayucos, CA.

If valid written protests are presented by a majority of owners and/or tenant-customers of parcels receiving solid waste, recycling, and green waste services within the CSD limits, then the CSD will not increase the rates for the services.

ADDITIONAL INFORMATION ALL CUSTOMERS:

1. Customers requesting Temporary Bins or Roll-Off Box Service can call the office for current rates.
2. Polystyrene (Styrofoam, Plastic #6) is not collected for recycling and should be thrown away as trash. Please bag Styrofoam packing peanuts before placing in trash container.
3. It is encouraged to bag your trash in the garbage container but do not bag your recyclables or green waste in their respective containers and keep it loose.
4. Recycling, Green Waste/Organics and Garbage containers should be spaced 3 feet away from any obstacles (e.g., mailboxes, cars, etc.) before 6:00am on collection service day.
5. The fee schedule above only includes the Garbage Company's rates and does not include IWMA fees, which are separately noted on the billings.
6. Cleaning fees will be billed on a time and materials basis.
7. Late Fees are imposed for residential customers over 30 days delinquent. The fee is 1.5% per month of the outstanding charge, with a minimum fee of \$5.00. No prior notice is required, as this late fee policy is stated at the bottom of every bill.
8. Customers can be charged for contamination fees in the trash, recycling and/or the green waste/organics containers.

Any additional recycling services are charged at 25% of the garbage rate for the equivalent container size and frequency.

CAYUCOS SANITARY DISTRICT STAFF REPORT

TO: BOARD OF DIRECTORS

FROM: RICK KOON, DISTRICT MANAGER

DATE: JANUARY 9, 2025

SUBJECT: DISCUSSION AND CONSIDERATION TO AMEND THE FISCAL YEAR 2024/2025 CIP BUDGET TO ACCOMMODATE THE PURCHASE OF 10 TRASH & 10 RECYCLING BIG BELLY WASTE RECEPTACLES FOR PLACEMENT IN THE COMMUNITY OF CAYUCOS

DISCUSSION

As directed at the November 2024 meeting, staff has researched the purchase of Big Belly waste receptacles. Staff submitted an application for an IWMA grant for the purchase of 5 recycling containers. If successful in obtaining the grant, the District will be required to fund the purchase of an additional 5 recycling containers.

Staff has requested a new cost estimate for a phased approach to expenditures for 10 new trash and 10 new recycling containers, which are anticipated to replace the “pebble” cans in the downtown areas.

RECOMMENDATION

Staff recommends that the Board of Directors amend the Fiscal Year 2024/2025 CIP Budget to accommodate the purchase of 10 trash & 10 recycling Big Belly waste receptacles for placement in the community of Cayucos.

Multi-Stage Trash & Recycling Cans Purchase

Goal: 20 cans to replace current pebbled trash containers

Volume discounts available: 2.5% for 10. Shipping reduced if all one purchase.

5 year warranty

Funding Source	Funding Amount	Type of Can	Number purchased	Timing	Estimated Cost

Bigbelly Element

Fundamentally a better bin, the Bigbelly Element is uniquely equipped to keep waste contained and out of sight with its fully-enclosed Chute disposal interface. The Element is ideal to augment Smart or Sense deployments or for applications where bin fullness indication or CLEAN™ is not needed.

With an inner bin capacity of 50 gallons (189 L), the Element holds 1.7x more waste than a traditional bin.

The Element can be deployed standalone or in combination with any other Bigbelly bin to form a multi-stream kiosk.

The Element is Bigbelly's simplest bin; it contains no electronics or sensors. Just the essentials.

San Luis Obispo Local Agency Formation Commission
 SLO LAFCO - Serving the Area of San Luis Obispo County

TO: INDEPENDENT SPECIAL DISTRICT SELECTION COMMITTEE

FROM: ROB FITZROY, EXECUTIVE OFFICER

DATE: DECEMBER 6, 2024

RE: REQUEST FOR NOMINATIONS FOR LAFCO SEATS

Background. This nomination period is for two Regular Special District seats on LAFCO. One seat is for a two-year term set to expire in December 2026 and another seat that would serve through 2028. Commissioner Marshall Ochylski, after 12 years of dedicated service, has stepped down from his LAFCO Special District seat that was set to expire in 2026; thus creating a vacancy for the remainder of this term through December 2026. Robert Enns’ four-year term expires December 2024. This seat is available for the standard four-year term and would serve through December 2028. The Cortese-Knox-Hertzberg Act allows an existing Commissioner (in this instance Robert Enns) to remain on LAFCO until the nomination and election process is complete. The existing member may also re-run should they wish to and are eligible.

Instructions. Each Special District may nominate one candidate for each seat. The nominated candidate must be an elected Board of Director of your respective District.

If your District wishes to nominate a candidate, please schedule this request for nominations on an agenda for a meeting of your Board of Directors as soon as possible, or if you have already been delegated by your Board as the representative of your District, you may submit a nomination on behalf of your District. Nomination forms are required to be submitted by the end of the nomination period. **The nomination period is 60 days and begins on December 9, 2024, and ends on February 7, 2024, at 5:00 p.m.** The completed nomination form may be submitted to the LAFCO office via mail or [e-mail: mbing@slo.lafco.ca.gov](mailto:mbing@slo.lafco.ca.gov). Please make sure the form is signed by the Board President or General Manager and the Nominee.

If more than one nomination for either of the open positions is received, it is required by law hold an election. The Executive Officer shall prepare a ballot election and send it by email to each Special District with voting instructions at the conclusion of the nomination period. If an election is required, the governing body of each Special District will have the opportunity to cast a vote for any of the nominees. Further communications will be provided based on the results of the nomination period if an election is required.

A nomination form is attached to assist your District in the nomination process. Also, please view the LAFCO website (slo.lafco.ca.gov) for additional information about LAFCO. Please call 805-788-2096 if you have any questions.

CAYUCOS SANITARY DISTRICT STAFF REPORT

AGENDA ITEM:

9

TO: BOARD OF DIRECTORS

FROM: RICK KOON, DISTRICT MANAGER

DATE: JANUARY 9, 2025

SUBJECT: DISCUSSION AND CONSIDERATION TO APPROVE A GRANT OF LICENSE AND AGREEMENT AFFECTING REAL PROPERTY LOCATED AT 97 10TH ST. APT. 1 (APN 064-153-042)

DISCUSSION

Staff received a Will-Serve application for the property at 97 10th St. #1 for additional improvements that will encroach into the District's easement. These encroachments consist of new, removeable pre-cast concrete pavers set on a sand base, a twelve-inch thick, eighteen-inch square post pad footing extending six inches into the District's easement, and a second story deck encroaching aerially at nine feet and four inches above the District's easement.

The District previously recorded a Grant of License for another encroachment on the property—a fence extending five feet into the District's easement. Prior to issuing that Grant of License, the District replaced the old VCP sewer main with PVC.

Staff worked with the project's architect to deepen the proposed deck piers so no structural loading will occur on the sewer main (see the attached exhibits).

RECOMMENDATION

Staff recommends that the Board of Directors approve the Grant of License and Agreement Affecting Real Property for 97 10th St. Apt. 1 (APN 064-153-042).

GRANT OF LICENSE AND AGREEMENT AFFECTING REAL PROPERTY

THIS GRANT OF LICENSE AND AGREEMENT AFFECTING REAL PROPERTY ("Agreement") is made this 16th day of January, 2025, by and between CAYUCOS SANITARY DISTRICT, a political subdivision of the State of California (the "DISTRICT"), and Richard L. Halle and Cathie A. Joughin, Trustees of The Joughin and Halle Family Trust dated January 27, 1999, (hereinafter referred to as "LICENSEE").

WHEREAS, LICENSEE is the owner of real property located at 97 10th St. #1, Cayucos, California (APN: 064-153-042), more particularly described in Exhibit "A," attached hereto and incorporated herein by this reference (the "Property"); and

WHEREAS, DISTRICT is the owner of an existing sewer line easement on the Property recorded on February 17, 1954 in Book 746, Page 86 of the Official Records of San Luis Obispo County, California; (the "Easement") with an existing sewer pipeline located therein; and

WHEREAS, DISTRICT has previously recorded a Grant of License and Agreement Affecting Real Property for encroachments associated with certain improvements on the Property, including a fence extending five feet into the District's Easement; and

WHEREAS, LICENSEE desires to construct certain additional improvements on the Property that will encroach into the District's Easement, which include new removeable pre-cast concrete pavers set on a sand base, a twelve-inch thick, eighteen-inch square post pad footing extending six inches into the District's Easement, and a second story deck encroaching aerially at nine feet and four inches above the District's Easement, as generally depicted in Exhibit "B," attached hereto and incorporated herein by this reference (collectively referred to as the "Structures"); and

WHEREAS, the DISTRICT is willing to allow construction of the proposed Structures so long as they do not interfere with, or cause damage to, the use, maintenance and operation of the Easement and/or the facilities and improvements located therein.

NOW, THEREFORE, in consideration of the terms and conditions contained herein, the parties agree as follows:

1. The DISTRICT hereby grants to LICENSEE a license ("License") to construct the Structures in the Easement, subject to the following terms and conditions:
 - a. Not less than thirty (30) days prior to construction, LICENSEE shall submit plans and specifications to the DISTRICT for review and written approval.
 - b. During construction, LICENSEE shall comply with any instructions and guidance from the DISTRICT intended to prevent interference with or damage to the existing sewer line or other District facilities located in the Easement.
 - c. After construction, LICENSEE agrees to remove the Structures should the DISTRICT so

request in order to gain access to or conduct maintenance or repair of the sewer line or appurtenances, or to replace the sewer line or any portion thereof; LICENSEE shall remove the Structures within thirty (30) days of written notice, unless the DISTRICT notifies LICENSEE of an emergency necessitating removal in a shorter time period. Should LICENSEE fail to remove the Structures within the time frame specified by the DISTRICT, the DISTRICT, in its sole discretion, may elect to remove the Structures and any other encumbrances affecting the Easement or facilities therein and recover all costs and expenses for such removal from LICENSEE.

d. LICENSEE agrees to pay for any and all costs for the maintenance, repair or replacement of the sewer line located in the Easement resulting from or caused by, in whole or in part, the design, construction, location or use of the Structures within the Easement.

2. LICENSEE agrees to hold harmless and indemnify the DISTRICT from any and all liabilities, damages, costs, claims, causes of action, complaints or proceedings of any kind or nature arising or alleged to arise from the design, construction, location or use of the Structures by LICENSEE, its agents, contractors, assigns or successors in interest, of any kind.

3. The DISTRICT may immediately revoke this License, without notice, for a breach of or failure to comply with any of the terms and conditions set forth herein; the DISTRICT may revoke this License without cause upon sixty (60) days written notice to LICENSEE.

4. This Agreement shall be binding upon the successors in interest of any kind to the Property.

5. In the event of legal action to enforce the terms and conditions of this Agreement, the prevailing party shall be entitled to recover their costs, including reasonable attorney fees.

IN WITNESS WHEREOF, the parties have executed this Agreement on the day and year first written above.

TO: Special Districts of the IWMA
FROM: Brad Hagemann, President
DATE: January 6, 2025
SUBJECT: Request for Nominations for the Integrated Waste Management Authority (IWMA) Special District Representative

AGENDA ITEM:

11

The Special Districts participate on the IWMA pursuant to a Memorandum of Agreement which provides for the appointment of one Special District representative and one alternate. The appointments have historically occurred in coordination with the San Luis Obispo Chapter of the California Special Districts Association (SLOCCSDA); however, there was no formal procedure.

The SLOCCSDA recently updated our bylaws to include a provision for this and state,

“ARTICLE 5 – REPRESENTATION

SECTION 2. SAN LUIS OBISPO COUNTY INTEGRATED WASTE MANAGEMENT AUTHORITY

Special Districts shall be represented on the San Luis Obispo County Integrated Waste Management Authority (SLOC IWMA) Board of Directors, representation of which shall be managed by the Chapter. Those Special Districts that have solid waste authority shall nominate and elect the Special District representative and alternate representative to four-year terms.”

There are currently twelve Special Districts that are authorized by LAFCO to provide solid waste services. The current Special District representative is Director Robert Enns, Cayucos Sanitary District (since 2018), and the current alternate representative is Director Dan Burgess, Heritage Ranch CSD. Director Burgess was elected as the alternate representative in 2022. His term will expire in December 2026.

This call for nominations is for the representative seat which will serve through December 2028. The current representative may remain on IWMA until the nomination and election process is complete, and the representative may re-run should they wish to do so. The IWMA Board of Directors regular meetings are typically the second Wednesday of each month starting at 1:30 p.m. in person at the SLO County Board of Supervisors Chambers.

Each Special District authorized to provide solid waste services may nominate one candidate. If your Special District wishes to nominate a candidate, please schedule this request for nominations on an agenda for a meeting of your Board of Directors as soon as possible, or if you have already been delegated by your Board, you may submit a nomination on behalf of your Special District. Nomination forms are required to be submitted by the end of the nomination period. **The nomination period begins on January 6, 2025, and ends on February 17, 2025, at 5:00 p.m.**

At the close of the nomination period SLOCCSDA will notify the Special Districts of the nominations. If more than one nomination is received, SLOCCSDA will prepare a ballot election and send it by email with voting instructions to each Special District authorized to provide solid waste services. If necessary, the balloting period will begin as soon as possible following the close of the nomination period and will be for approximately forty-five days.

The completed nomination form may be submitted to SLOCCSDA by email to the current Chapter President, Brad Hagemann at hagemann.associates@gmail.com and Chapter Secretary Jana Ettetddgue at jettetddgue@ncsd.ca.gov. Please make sure the form is signed by the Board President or General Manager, and the Nominee.

A nomination form is attached to assist your Special District in the nomination process. Also, please view the IWMA website (www.iwma.com) for additional information about IWMA. Please contact Brad Hagemann at 805-835-3163, or Scott Duffield at 805-227-6230 if you have any questions.
