ASO Brookins handed out a revised invoice deducting \$6000 from the billing total for services by AGP to the City, he explained this charge is Morro Bay's exclusively. ASO Brookins was commended for catching this error. Director Foster voiced concern over the fact that we are just now being billed these charges from Morro Bay. He recapped some past Morro Bay mistakes and stated that we can't count on them (Morro Bay) to get us information timely or correctly. Director Lyon and ASO Brookins both stated these problems could be the result of a group who are no longer with Morro Bay. ASO Brookins stated that Morro Bay needed to improve the cycling of information to allow more timely reporting but to remember they are also working with a leaner crew. It was discussed that setting a time frame for reporting is something that could be handled when revising the JPA.

MOTION: 1st by Lyon, 2nd by Fones to approve payment of the revised invoice amount to Morro Bay for Operations and Maintenance of the WWTP 4th Qtr FY 2010-11 in the amount of \$8958.01. VOTE: 5-0
